Listen
up.

It looks
like our
Japanese
company
director
scouted
a young
succubus to
travel here
and work
with us...

Huh?
"Succubus"?
As in those
famous lewd

Well
EXCUSE
me for
not
being
sexy!

Indeed, I think
that this workplace
is severely lacking
in the 'sexy girls'
department... I
can't help but look
forward to this!

Apparently, he
believes that
there will be great
merit in getting
one of these
demonesses
called "succubi" to
work for our
company, due to
their great
relation to our
products.

That shady
company
director
said he
got an
authentic
demoness..

I'm
going to the
toilet.

KH...
SHIT!
MY

TATIONS
HAVE
RISEN
MY
MORALE
TOO
HIGH!

I'd be
content with
just an idol
poster of
Machiko-

I see... And
this could also
greatly raise
the male
employees'
morale.

I'm not

Just what in

saying now?!

...Huh?

But watch
what you're
saying to
someone
you've just
met.

I've heard
the rumors,
but I never
thought I'd
meet one in
Japan.

Lewd

called
"succubi",
that suck
